Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**DOMESTIC VIOLENCE EMERGENCY SHELTER PROGRAM
FISCAL YEAR 2004-2005 FUNDING RECOMMENDATIONS
(ALL SUPERVISORIAL DISTRICTS) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the funding allocations in the amount of \$2,377,000 of which \$2,070,000 will be used for the service providers shown on Attachment I, in equal amounts of \$90,000 each, \$106,000 for future contingency purposes, and \$201,000 will be used for Community and Senior Services (CSS) administrative costs effective July 1, 2004 through June 30, 2005. The cost of the program is funded from the Domestic Violence Program Trust Fund for the Domestic Violence Emergency Shelter Program (DVESP).
2. Authorize the Director of Community and Senior Services (CSS) or the designee to negotiate and execute contracts in substantially similar form to Attachment II with the service providers indicated on Attachment I for provision of 23 domestic violence emergency shelter programs, after County Counsel approval, effective July 1, 2004 through June 30, 2005. The FY 2004-2005 contract costs are fully financed using the Domestic Violence Program Trust Fund.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The recommended actions will allow the Department to continue administration of the DVESP to provide emergency shelter services to victims of domestic violence residing in Los Angeles County.

The DVESP provides victims of domestic violence and their children with crisis intervention services that will allow their safety and survival and assists them in moving toward self-sufficiency.

Performance Measures

The DVESP performance evaluation is aligned with the County's Performance Counts Initiative. The standard of performance measurement for program effectiveness is indicated by clients achieving one of the following positive outcomes:

- Assistance in developing a domestic violence safety plan;
- Remaining in emergency shelter more than (3) three days, and;
- Attainment of a court restraining order.

The Department will assess the agencies' performance through its analysis of monitoring reports produced by the CSS Domestic Violence monitoring unit.

Implementation of Strategic Plan Goals

The recommended actions support the Countywide Strategic Plan Goals of Service Excellence and Program Goal of Children and Families' Well Being.

FISCAL IMPACT/FINANCING:

A special fee of \$23 per marriage license issued and two-thirds of fines collected from convicted batterers are deposited into the Domestic Violence Program Trust Fund, which is used to finance the DVESP. The estimated FY 2004-2005 cost of this program is \$2,377,000 and is distributed as follows:

• Contracted Shelters	\$ 2,070,000
• CSS (for administrative costs)	\$ 201,000
• Contingency (for unexpected program needs)	<u>\$ 106,000</u>
	\$ 2,377,000

There is no impact on the County general fund as the DVESP is fully financed by the Domestic Violence Program Trust Fund. Funding has been included in the Department's FY 2004-05 Proposed Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On June 4, 1980, the Governor signed into law SB1246 (Presley) which increased the fee for each marriage license issued by \$8 and authorized the deposit of this increase into a separate Domestic Violence Program Trust Fund to be administered by the

County. Since 1980, the fee has increased to \$23 per license. Additionally, in January 2003 AB 352 amended Penal Code Section 1203.097 which increased batterers fines from \$200 to \$400 and allowing courts to deposit two-thirds of the fines collected from convicted batters into the Domestic Violence Program Trust Fund.

The amount available in the Domestic Violence Program Trust Fund for FY 2004-2005 reflects an increase of \$460,000 from last year due to additional marriage licenses issued and an increase in amount of fines and penalties collected from convicted batterers in the County. A total of \$2,070,000 will be allocated to 23 Domestic Violence Emergency Shelter Programs in equal amounts of \$90,000 each.

The Domestic Violence Council concurs with the recommended equal funding formula. In addition, the Domestic Violence Emergency Shelter program was established to serve victims and their children countywide who are in need of services in a safe, confidential location.

CONTRACTING PROCESS:

On April 7, 2003, CSS issued a Request for Proposals (RFP) soliciting service providers for Domestic Violence Emergency Shelter Program for July 1, 2003 through June 30, 2004, with an option to renew annually for an additional two years subject to agency performance, availability of funds, and community needs. Twenty-three programs successfully passed the RFP process and were approved for funding by your Board on July 1, 2003. This is the second year of the three-year funding cycle. The agencies listed in Attachment I have performed at or above the contractual requirements and are being recommended for continued funding.

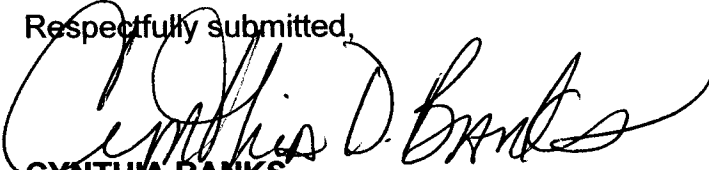

Monitoring

CSS will ensure that all approved contractors are monitored relative to contract compliance and administrative, programmatic and fiscal requirements. The Domestic Violence Emergency Shelter Program is a performance-based, fee-for-service contract and all service providers are required to submit outcome measures and costs associated with completion of tasks in the statement of work. CSS will analyze the program yearly and will adjust costs accordingly to meet the County's cost of living adjustment (COLA) policy as adopted by the Board on January 29, 2002. All providers are monitored quarterly for programmatic compliance through the CSS Domestic Violence monitoring unit. Fiscal compliance monitoring is conducted bi-annually with a follow up visit by an approved vendor procured through the Auditor-Controller.

IMPACT ON CURRENT SERVICES:

The recommended actions will allow CSS to administer the Domestic Violence Emergency Shelter Program to provide services to approximately 3,079 victims of domestic violence and their children in FY 2004-05.

Respectfully submitted,

CYNTHIA BANKS
Chief Deputy Director

In no event shall this CONTRACT give rise to a charge on any other funds of the COUNTY.

6. Upon such notification, CONTRACTOR shall have the option of notifying COUNTY that it cannot comply with such amendments, in which case this CONTRACT may be terminated in accordance with State law, and Section 10 of this Contract. In this event, the CONTRACTORS'S personnel policies and the COUNTY'S Civil Service rules and ordinances, will also be taken into consideration by the COUNTY.

E. Termination of the CONTRACT under this provision shall not be deemed to continue the obligation of the CONTRACTOR to serve persons who would have received services under this Contract.

8. CASH AND/OR IN-KIND MATCH: The CONTRACTOR shall make a cash and/or in-kind match from non-State sources in an amount equal to, or more than, twenty (20) percent of the amount of the PROGRAM funds as specified in Exhibit B, Project Budget.

9. METHOD OF COMPENSATION: Subject to availability of funding, the County agrees to make payments to Contractor under the following conditions.

A. Payment

1. Advance Payment

At the sole discretion of the County, Contractor may be paid in advance, upon execution of the contract, in an amount not to exceed one-sixth (1/6) of the total annual contract award. Such amount will be deductible from Contractor's subsequent reimbursement payment over several months as determined by the County.

2. Monthly Payment

Payments shall be made only after receipt, review and approval of invoices by COUNTY PROGRAM DIRECTOR, or his designee, for CONTRACTOR's allowable expenses actually incurred for any individual calendar month. Said invoices shall indicate total monthly costs and shall be itemized in detail. Invoices and any necessary supporting documentation required by COUNTY PROGRAM DIRECTOR or his designee shall be submitted to CSS no later than the fifth calendar day of the month.

3. Request for Final Payments

The County reserves the right to withhold 10% of the contract amount or the final request for payment, whichever is greater, on a completed project until certification completion is issued by CSS. Such certification shall not replace or supersede the final audit report.

B. Commingling of Funds

Funds allocated pursuant to this CONTRACT shall be used exclusively for costs

included in Exhibit B, Project Budget. CONTRACT funds shall not be used as security or to guarantee payments for any non-program obligations, nor as loans for non-profit activities. CONTRACT funds shall not be commingled with any other monies of CONTRACTOR. All non-governmental agencies shall establish a separate bank account for CONTRACT funds paid herein unless a written waiver is obtained from the COUNTY.

10. AUTHORITY TO BIND CONTRACTOR: Before the receipt of a fully executed copy of this Contract, Contractor shall furnish to County Program Director, or his designee, a written list of persons duly authorized to execute, on behalf of Contractor, agreements, contracts, modifications to contracts, or other documents as may be required by County Program Director or his designee.

11. SUSPENSION/TERMINATION: This Agreement may be immediately suspended by the County at any time, by the Director or his designee upon the giving of written notice to the Contractor. Notice of such suspension shall include the cause for suspension and the effective date and period of the suspension. The suspension shall not exceed a period of sixty (60) calendar days and the Contractor agrees to suspend program operations for the period of the suspension. The Agreement may be suspended for cause or no cause if determined to be in the best interest of the program to protect funds or protect the health, safety, and welfare of participants.

This Agreement may be canceled or terminated by either party for any or no reasons at any time by giving at least thirty days written notice to the other. This Agreement may also be terminated by the County at any time whenever the County determines that the Contractor has materially failed to comply with the terms of this Agreement. Notice of such termination shall be served upon Contractor in writing, and shall specify the effective date of such cancellation in the notice.

The County may immediately terminate this Agreement if the County determines that the Contractor has failed to initiate delivery of service within thirty days of the commencement date of this Agreement or if County determines that funds are not available for this Agreement or for any portion hereof.

In the event of termination of this Agreement and upon receipt by Contractor of notice of termination, Contractor shall:

- A. Use its best efforts to eliminate or minimize all continuing or new costs or expenses under this Agreement.
- B. Promptly report to County in writing all information necessary for the reimbursement of any outstanding claims and continuing costs.

- C. Notify all other parties who are subcontractors of the Contractor of such termination within five (5) business days of receipt of Notice of Termination.

Notwithstanding any other provision of this Paragraph, the failure of Contractor or its officers, agents, or employees to comply with the terms of this Agreement or any directions by or on behalf of the County issued pursuant hereto shall constitute a material breach hereof and this Agreement may be terminated immediately. County's failure to exercise this right to terminate or impose corrective sanctions shall not constitute waiver of such right which may be exercised at any subsequent time.

12. CONTRACTOR'S PERFORMANCE/REALLOCATION OF FUNDS:

- A. Contractors are expected to perform at optimum capacity in meeting contractual commitments. Contractor shall by the end of the second quarter, following beginning of a funding cycle, achieve a seventy-five percent (75%) of monthly contract commitment through the end of the fiscal year.

If Contractor provides less than seventy-five percent (75%) of the total contracted units of measurement in any month, the County, at its discretion, may require that the contract be renegotiated to more accurately reflect the actual levels of service or the County may terminate the contract.

- B. The department reserves the right to reduce contract amount if quarterly monitoring indicates that the rate of reimbursement represents less than seventy-five percent (75%) as applicable to section A of preceding. In the event of money underutilization by the Contractor, the contract may be renegotiated in order to reflect more accurately the actual levels of expenditure or the department may terminate the contract, as applicable to section A of preceding.

The performance of Contractor will be reevaluated at a six (6) month interval, and funds will be reallocated at the discretion of the PROGRAM MANAGER. If Contractor is below the achievement level required, funds may be reduced and reallocated to agencies who are overachieving and qualify for grant increases. Additionally, the County at its discretion may reduce the Contractor's annual grant for the following fiscal year to more accurately reflect the Contractor's level of service.

13. JOINT FUNDING AND REVENUE DISCLOSURE REQUIREMENT: By the execution of this CONTRACT, CONTRACTOR certifies unless waived by COUNTY, that it has previously filed with CSS a written statement listing all revenue received, or expected to be received, by CONTRACTOR from Federal, State, City or County sources, or other

governmental and non-governmental agencies, and applied, or expected to be applied, to offset in whole or in part any of the costs incurred by CONTRACTOR in conducting current or prospective projects or business activities, including, but not necessarily limited to, the project or business activity which is the subject of this Contract. Such statement shall reflect the name and a description of funding provided by each and every governmental agency to each such project or business activity, and the full name and address of each such agency.

During the term of this CONTRACT, CONTRACTOR shall prepare and file a similar written statement each time it receives funding from any governmental agency which is additional to that revenue disclosed in CONTRACTOR's initial revenue disclosure statement hereunder. Such statement shall be filed with CSS within fifteen (15) business days following receipt of such additional funding. COUNTY shall not pay for any services provided by CONTRACTOR which are funded by other services. If CONTRACTOR is a governmental agency, it shall be exempt from disclosure requirements of this Section except as it pertains to other sources of funding for the PROGRAM. All other provisions of this section shall apply. The failure of CONTRACTOR to comply with the requirements of this paragraph shall constitute a material breach of CONTRACT upon which COUNTY may cancel, terminate, or suspend this CONTRACT.

14. DESCRIPTION OF SERVICES: Contractor agrees to provide services in the form as described in Appendices and Exhibit "A", Application, attached hereto and incorporated herein by reference.

Contractor shall provide to eligible persons the social services set forth in Exhibit "A", Application, hereof which states for such services the following:

16. **STAFFING:** Contractor shall operate continuously throughout the entire term of this Agreement with at least the minimum number of staff set forth in Exhibit "A", Application, attached hereto, and any other applicable staffing requirements of County for Contractor to provide services hereunder. Such personnel shall be qualified in accordance with all applicable requirements of Domestic Violence and any amendments thereto. CONTRACTOR shall not incur any expenditures for travel outside of Los Angeles County without prior written approval of COUNTY PROGRAM DIRECTOR, or his designee.

17. **CAPITAL ASSET EQUIPMENT:** At termination or completion of the project, Contractor shall dispose of all capital asset equipment, which is purchased wholly or in part with Federal and State funds, in accordance with Federal, State and County procedures. If said equipment is to continue to be used to further the purpose of contracted funds, title to said equipment may be relinquished to Contractor upon written approval of County. Equipment purchased by the County and provided to Contractor to assist in providing services, is to be transferred or returned, as directed in the Annual Closeout Cost Report paragraph. An annual inventory of equipment and vehicles shall be submitted by the Contractor.

18. **EQUIPMENT:** Contractor shall obtain at least three (3) bids in writing prior to purchasing equipment over five hundred dollars (\$500) per unit in value as approved in the budget, Exhibit B and must purchase from the lowest bidder. In addition any purchase of equipment over three hundred (\$300) or more per unit shall require the prior written approval of County Program Director, or his designee. All equipment costing over fifty dollars (\$50) or having a life expectancy of more than one (1) year shall be properly identified and inventoried and shall be charged at its actual price deducting all cash discounts, rebates and allowances received by Contractor. Equipment purchases approved in the budget by County Program Director, or his designee, shall be initiated in the first quarter of the program year. The above provisions will apply to leasing as well as to purchasing of equipment.

19. **PURCHASE AND INVOICES DEADLINES:** Purchase of equipment or property must be completed prior to the last three (3) months of the contract period. Invoices which have not been submitted for payment prior to the termination date of this Contract must be forwarded to County's Fiscal Section within sixty (60) business days after the Contract termination or they may not be honored. Exceptions to the preceding limitations require prior written approval by County Program Director, or his designee.

22. ENTERTAINMENT: Costs of any amusements, social activities, and incidentals relating thereto, such as meals, beverages, lodging, rentals transportation and gratuities, are not allowed.

23. GRATUITIES: It is improper for any County officer, employee or agent to solicit consideration, in any form, from a proposer with the implication, suggestion or statement that the proposer's provision of the consideration may secure more favorable treatment for the proposer in the award of Contract or that the proposers's failure to provide such consideration may negatively affect County's consideration of the proposers submission. A proposer shall not offer or give either directly or through in intermediary, consideration in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Contract. A proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration.
